Review/Action of Possible Projects

At the previous meeting, the Village of Centreville identified a project for \$115,200 of the available funds. St Joseph County Road Commission would use the balance, \$72,724, for pavement markings countywide. Since the last meeting, it has been determined that the Village project involved a street that is not federal aid eligible. Therefore, another project or projects needs to be identified by the task force.

MOTION Yorks, SUPPORT by Minger, ***“to approve St. Joseph County Road Commission Colon Road HMA overlay project for \$187,628.09 in STP funds to fully utilize the available fund and that the previously identified projects not be submitted for funding”*** Motion passed.
