1. All bridge projects (bridge replacement and major rehabilitation regardless of funding) require a Type, Size, and Location (TS&L) submittal.
2. For projects that may require an Environmental Assessment (EA), submit the EA document to LAP at least one year prior to submitting the Program Application.
3. For projects which FHWA has identified as Projects of Divisional Interest (PODI), submit Plans, Proposal, and Estimate to LAP at least two weeks prior to the dates shown in this guide.
