Approval of Previous Local Rural Task Force Minutes

There were no corrections to the minutes of the previous sub-task force meeting.

MOTION by Welch, SUPPORT by Weeks, ***“to approve the minutes of the January 7, 2014 Local Rural Task Force Meeting.”*** Motion approved.

Review of Approved RTF Region #3 Projects for 2016 and 2017

Before the discussion began on projects, Harden summarized the decision, reported in the November 9, 2015 Letter, from the Rural Task Force Oversight Board to revise the target amounts of funding for Fiscal Years 2016 and 2017. Because there was some confusion as to the basis for the target amounts on page 3 of the 2017 - 2020 Call for Projects, it was recommended that the Region use the previously approved amount for FY 2016 and the amount shown in the call for FYs 2017 - 2020.

There were no proposed changes to the 2016 project.

Since Barry County had given up most of their recommended share of funding in 2014, 2015 and 2016 in order to apply a larger amount on one project in 2017, it was recommended that the 2017 amount proposed for consideration at the next Region 3 meeting be kept the same.

There was some discussion regarding the recent transfer of Barry County from MDOT's Southwest District to its Grand District and whether that would change the Rural Task Force district to which it belongs. Unless and until legislation is passed doing so, the region will not change.

Call for Projects for 2017 - 2020

Barry County Transit did not propose any projects to be included in the 2017 – 2020 Call.
