MOTION by Arver, SUPPORT by Derrickson, ***“to approve the minutes of the February 10, 2015 Local Rural Task Force Meeting.”*** Motion approved.

Review of Approved RTF Region #3 Projects for 2016 and 2017.

Steppek and Harden summarized the decision, reported in the November 9, 2015 Letter, by the Rural Task Force Oversight Board to revise the target amounts of funding for Fiscal Years 2016 and 2017. It has been confirmed by MDOT that RTF regions will have to reduce their previously approved 2016 and 2017 programs to meet revised target amounts. It was decided that adjustments to the 2016 and 2017 program total costs be made at the next full Region 3 RTF Meeting, which will be scheduled soon for either late December or early January.

Arver proposed moving the 2016 Division Road, Main to Sherwood W Village Limit project to 2018 and changing the Responsible Agency for the project from Branch County to Sherwood Village; merging the 2016 Division Road, Dunks Road to Sherwood W Village Limit with the 2016 Countywide Preventive Maintenance project; and changing the 2017 “Cold Pavement Recycling” project name to “Countywide Preventive Maintenance.”

Call for Projects for 2017 - 2020

Projects for the 2017 to 2020 Call were discussed and proposed among the eligible agency present.

The proposed projects for STL and EDD funding for 2016 and the 2017 – 2020 Call are summarized in the table below:

MOTION by Horn, SUPPORT by Derrickson, ***“to approve the proposed changes to the previously approved 2016 and 2017 Fiscal Years, and to adopt projects for the 2017 – 2020 Call for Projects as proposed.”*** Motion approved.

After discussion, Harden encouraged the group to propose and prioritize illustrative projects so that the sub-task force won't have to reconvene in the event that more federal funding becomes available.
